

# MASON'S ALVEARY

## 2017-18 Book List Time Periods: 1650-1800 AD; Ancient Greece

This book list for Forms 1-3 is provided for prospective Alveary members to aid in decision-making. It is provided freely because that is not where the primary value of a Mason's Alveary membership lies. Use of this book list does not constitute a "Mason" education on its own and CMI urges caution to those who would adopt it without support and robust understanding of Mason's philosophy and methods.
